

IASC Members' Generous Donations Help Recreate Lives & Rebuild Homes

On January 26th 2001, a killer earthquake, measuring 6.9 on the Richter scale, rocked the State of Gujarat. The earthquake was one of the worst in the history. Thousands died and millions were rendered homeless. Lodai village was the epicenter of the earthquake where all the homes were demolished. Indian Association of Somerset County raised \$10,000 and donated \$4000 to VHP of America, \$4000 to Share and Care Foundation and \$2000 to HELP organizations.

VHP of America took responsibility to rebuild the Village of Lodai and seven other villages. From your generous donation, they built a Health Center. Thank you IASC members.
